July meeting CKCSC of Greater Atlanta : To Be announced

Our President's Message

Hi everyone...

I am looking forward to the remainder of this year! The National and our show are behind us, and the future before us. We have a lot of great programs planned, so stay tuned.

The June meeting will be a presentation on Canine CPR. I think this will be a program very beneficial and important to all of us. Our July meeting will be announced at a later date.

The officers and board had a working meeting April 18 that lasted almost four and one half hours. Not because we were working the whole time, but we were enjoying each other and getting to know each other. Bonding. Everyone walked away expressing a feeling of warmth and friendship. It was fun. This is what I hope for us going forward. We're all in this together.

Regards to all,

Pat Lander, President
